Adjustment Knob

Constructed from aluminum, this **PowerMax Vertical Jump Trainer** provides a lightweight, reliable solution for any vertical training needs.

Tip and Roll wheels provide easy transportation while the rubber adjustable feet offer a secure base that won't mar your floor.

Foldable Weight Arms on both ends of the base allow for weights to be added for more stability.

Colored Vane Patterns provide quick and easy measurement readings.

Max Height 146"
Min Height 95"
